# MEMBERSHIP

UniTrento Sport/CUS Trento membership allows you to participate in courses, events and activities organized by UniTrento Sport and CUS Trento and to take advantage of the discounts provided by the agreements with local companies and bodies.

It is valid for one year (from 1st September to the following 31st August) and is carried out online through the dedicated portal.

Enrollment is free for students of the University of Trento. Discounted rates are available for other users.

# FACILITIES

UniTrentoSport membership allows access to the following facilities: the Augsburggerhof nautical centre, the multi-sports center in Mattarello, the red gym of SanbàPolis, the gym at the Department of Sociology and Social Research.

# CLASSES

UniTrentoSport, through CUS Trento, offers courses in fitness, individual sport and team sport every year.

Following the academic year, courses are offered in three periods:

- I period (october- january)
- II period (february- may)
- summer period (june- july)

The updated list of courses can be consulted online on the UniTrentoSport website in the dedicated section. To enroll in the courses it is necessary to register and present a NON-competitive medical certificate with ECG at rest.

# SUMMER AND WINTER ACTIVITIES

UniTrento Sport offers courses and outdoor activities in the local area organized by CUS Trento. The activities are suitable for everyone. The proposal includes: rafting, trekking, climbing courses, ski and snowboard courses, ski mountaineering courses, excursions with snowshoes, ice climbing courses.

# MOUNTAIN ACTIVITIES

The project is carried out in collaboration with SAT, SUSAT and SOSAT and aims to bring the student community closer to the mountains and surrounding territories. The proposed excursions are led by expert guides and allow you to get to know the wonders of our area and discover its history.

## FACOLTIADI

The most awaited sporting event by the entire university community is organized in the breathtaking location of the lago delle Piazze and involves hundreds of people. The Facoltiadi are spread over two days in which the teams of each Department compete in four disciplines: beach tennis, green volleyball, soap football and dragon boating.

In the winter edition the teams compete in the following disciplines: slalom go-kart, human table football and target curling on ice.

## TOURNAMENTS AND SPORT EVENTS

Many tournaments and sporting events are organized over the academic year, such as water games at the Augsburgerhof nautical center and futsal, basketball and volleyball interdepartmental competitions.

# SPORT

The University of Trento supports students who decide to practice competitive sport and study through programs dedicated to their needs.

## Uni.Team

UNI.Team offers competitive athletes the opportunity to practice sport with CUS Trento. It helps student-athletes maintain high educational and competitive standards thanks to a series of services which help them organize their activities.

## TopTeam

TOP Team is aimed at athletes from local sport teams and allows them to combine their competitive commitments with their academic obligations.

## TopSport

TopSport offers top-level athletes concrete support in sporting and academic commitments. It currently involves more than thirty student-athletes.

# SPORT ASSOCIATIONS

The University of Trento and Opera Universitaria support students who want to organize amateur sports activities and participate in student competitions, by forming an association.

To find out about the associations already active or to find out about the accreditation, visit the dedicated page on the website.

# SPORTS VOLUNTEERING

The project involves members of the university community who want to commit themselves to support sporting activity, contributing to the creation and organization of events, sport initiatives and competitive events, and in the management of sporting facilities. Applications are open all year long.
